

Citrus II®

SALON SANITATION KIT

YOUR
TURNKEY SOLUTION
FOR SALON INFECTION CONTROL

Because the health and safety of salon employees and their clients are extremely important, every salon should be disinfected and sanitized using Citrus II products!

A SIMPLE TURNKEY SYSTEM

- Easy to use!
- Protects you and your clients!
- Along with our excellent products*, each kit contains our informative *Salon Sanitation Guidelines*** , and a colorful Window Decal to let your clients know they're protected!
- The recommended guidelines meet or exceed the cleaning and disinfecting requirements in all 50 states!
- Discounted from the price of the items when bought individually!
